

### NOTICE OF PUBLIC HEARING

The Board of County Councilors will hold a public hearing on **Tuesday, the 22<sup>nd</sup> December, 2015 at 10:00 a.m.** in the Commissioners' Hearing Room, 6<sup>th</sup> Floor, Public Service Center, 1300 Franklin Street, Vancouver, Washington to consider:

Adoption of a Transportation Policy that support toll-free roadways, congestion relief, and free-flowing private motor vehicles. In contrast to a "war on cars" such as a "Complete Streets" agenda that seeks to force people out of their cars and worsen traffic congestion by shrinking roadway capacity, this policy would support our roadways for motor vehicles in appropriate proportion to other modes of transportation.

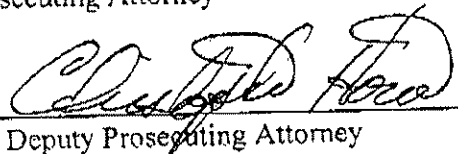

More information concerning this matter may be obtained by contacting Mark McCauley, Acting County Manager, 1300 Franklin Street, Vancouver, Washington, telephone (360) 397-2232.

Any person wishing to give testimony in this matter should appear at the time, date, and place above stated.

### NOTICE OF PUBLIC HEARING

The Board of County Councilors will hold a public hearing on **Tuesday, the 22<sup>nd</sup> of December, 2015 at 10:00 a.m.** in the Commissioners' Hearing Room, 6<sup>th</sup> Floor, Public Service Center, 1300 Franklin Street, Vancouver, Washington to consider:

In the November 2014 General Election, voters were asked in a county-wide advisory vote if the BOCC should adopt resolution# 2014-07-27 that defines the guiding principles and policies regarding any new bridge across the Columbia River and to commission the Board to clearly support, provide leadership, and champion a new toll-free East County Bridge. The voters approved that ballot measure. This agenda item proposes to do as the voters requested by formally adopting that resolution as official Clark County policy.

Adoption of Free Market Principles Policy that allows more freedom for lower residential densities, more reasonable parcel sizes, and allows residential and business properties to be unconstrained by mixed use zoning. In contrast to an agenda that pushes for ever shrinking lot sizes, ever higher residential density requirements, insufficient parking, and mixed use zoning, this policy would allow for more flexible choices, less constraints on the free market, more reasonably sized parcel sizes and densities, more provision for parking, and freedom for business and residential zoning.

Formation of a new Toll-free East County Bridge Task Force. The mayors of Troutdale, Fairview, and Wood Village, Oregon have submitted a letter asking us to include them as partners in a new bi-state group to share the vision and to specifically focus on a new toll-free East County Bridge. This agenda item proposes that the BOCC form and sponsor a toll-free East County Bridge Task Force of leaders in both states committed to fast track the construction. The goal is for the collaborative process to explore and arrive at a preferred location and design.
