Dear CCBA Members-

Late Friday, the CCBA received notice from the Governor's office that the following candidates are seeking appointment for Judge Johnson's Superior Court Position: Camara Banfield, John Fairgrieve, Denise Lukins, Chris Ramsay, and Robert Vukanovich. Derek Vanderwood was selected to fill Judge Nichols' Superior Court position.

The CCBA was also informed that the Governor's office is not requesting a poll from the CCBA with regard to the appointment to fill Judge Johnson's position.

Based on this new information, the CCBA Board voted to cancel both the Candidate's Forum and the Poll for this appointment only as these processes require a significant amount of time and expense and the Governor has not requested that work.

The CCBA remains committed to conducting forums and polls in the future for the benefit of our legal community, the public, and the candidates themselves, particularly if there is a public vote or the Governor requests that information for purposes of making an appointment.

We apologize for the late notice and hope this change does not inconvenience you. It is great to see so many active CCBA members in attendance at forums and so many CCBA members voting in polls. In particular, I appreciate the people that submitted questions for the forum. Those questions will be kept for use at the next forum.

Yours truly,
Arin Dunn
CCBA President
