Welcome to Earthworms Land Care!

I believe you'll find the use of the highest quality Organic products, applied by licensed professionals will be the right combination to give you a beautiful lawn we will both be proud of.

Your treatments are scheduled to start automatically in March or April depending on which program you scheduled. On the following page you will find a description and price for each application you are currently scheduled for. If you are interested in taking advantage of our Prepayment savings, please send a check for the amount shown.

Please note that our service is continuous. We will return each year unless you notify us in writing or by phone of your desire to discontinue service.

Again, thank you for the trust you have placed in us and we look forward to seeing you soon!
